Fr. Conceicao Rodrigues College of Engineering
— College Information and Fee Structure

1. College Overview

Fr. Conceicao Rodrigues College of Engineering (Fr. CRCE) is an autonomous engineering college affiliated to the University of Mumbai, located at Bandstand, Bandra (West), Mumbai, overlooking the Arabian Sea. It was established in 1984 as part of the Agnel Technical Complex of the Society of St. Francis Xavier Pilar, a public charitable trust, and is named after its founder, Rev. Fr. Conceicao Rodrigues. The college began with a single course, Production Engineering, with an intake of 60 students. The University of Mumbai granted permanent affiliation in 2019, and the UGC granted academic autonomy from 2024–25. The institute code is 3184, and the college has a total strength of over 1,200 students.

Accreditation and ranking: NAAC 'A' grade. The UG programmes in Computer Engineering and Electronics & Computer Science are accredited by the NBA. Careers360 grade AAA+ (2024). In the Times of India 2026 survey the college ranked 43rd among the top 175 engineering institutes in India, 42nd among private engineering colleges and 13th among Western Region colleges.

2. Courses Offered

Level	Programme	Intake
B.Tech	Computer Engineering	180
B.Tech	Computer Science and Engineering	180
B.Tech	Electronics and Computer Science	60
B.Tech	Mechanical Engineering	60
M.Tech	Computer Engineering	18
Ph.D.	Mechanical Engineering	10
Ph.D.	Electronics Engineering	14
Ph.D.	Computer Engineering	10

Programme history: Computer Engineering started in 1991. Electronics Engineering started in 1987 and became Electronics & Computer Science in 2019. Production Engineering (1984) became Mechanical Engineering in 2019–20. B.E. in Artificial Intelligence & Data Science was introduced in 2020. B.Tech in Computer Science and Engineering began in 2024–25 with an intake of 60, raised to 180 from 2025–26. The M.Tech in Computer Engineering began in 2024–25 and its Ph.D. in 2023–24. First-year teaching is handled by the Department of Humanities & Science.

Degree options: learners earning at least 168 credits receive a B.Tech with a Multidisciplinary Minor (MDM). Double Minor and Honours with Research routes are also available. MDM options include Communication Engineering, Mechanical Engineering, Business Management, Healthcare Management and Design.

3. Admission Process

Admissions follow the rules of the State CET Cell, Government of Maharashtra / DTE (registration through mahacet.org). Institute-level seats are notified in national and state newspapers. A candidate allotted and accepting a seat through CAP must fill in the online admission form on the college website (it can also be filled at the college) and print it on A4 paper. The candidate then reports to the college between 10:00 a.m. and 5:00 p.m., as per the schedule notified by the CET Cell, with a printout of the allotment letter, the required documents and the fee payment. Incomplete documentation may delay or prevent admission. The college material does not publish fixed application deadlines; reporting dates follow the CET Cell schedule.

4. Fee Structure 2026–27 (First-Year B.Tech)

Fees sanctioned by the FRA for 2026–27 are ₹2,15,000 plus University processing fees for first-year B.Tech programmes (see mahafra.org). The amount to be paid at reporting depends on category:

Category	Amount at reporting
Open	₹2,15,000
SC / ST	₹0
VJ / NT / SBC	₹28,043
OBC (Male)	₹1,21,522
OBC (Female)	₹28,043
TFWS	₹28,043

In addition, candidates pay ₹1,800 towards admission form and processing fees. University processing fees and any additional fees recommended by statutory bodies are payable separately, and their amounts are not stated. Payment can be made by Demand Draft or Pay Order payable at Mumbai, through the online link in the college's CAP reporting form, or by NEFT/RTGS.

5. Documents Required

Bring originals along with one set of self-attested photocopies.

- College application form and CAP allotment letter (freeze copy)
- CET scrutiny centre receipt-cum-acknowledgement
- SSC and HSC mark sheets; HSC leaving / transfer certificate
- JEE Main or MHT-CET 2026 score card
- Proof of Indian nationality; proof of Maharashtra domicile or birth place
- Aadhaar card photocopy; one photograph
- Migration and passing certificates (boards other than Maharashtra State Board, e.g. CBSE, ICSE)
- Caste certificate, caste validity and non-creamy layer certificate (valid up to 31 March 2027); income certificate, if applicable
- Physical / medical fitness certificate in the prescribed format
- Anti-ragging undertaking; signed University of Mumbai pre-admission registration form
- Gap certificate and defence / handicap / J&K / GOI certificate, if applicable
- Christian / Roman Catholic minority quota: leaving certificate showing religion, or an affidavit on ₹100 stamp paper, a Bishop's letter and a baptism certificate

6. Scholarships, Loans and Insurance

Government scholarships cover ST, SC, OBC, VJ-NT and SBC students, EBC and minority scholarships, and AICTE schemes. Non-government options include the Bluestar Foundation, Narotam Sekhsaria Foundation, JSW, Ratan Tata Foundation, British Council Scholarships for Women in STEM and Vidyasaarathi (NSDL). The institute facilitates educational loans under the Vidyalakshmi scheme, and students are covered under the 'Yuva Raksha' group insurance scheme. Career Katta, a Government of Maharashtra initiative for career guidance, charges a one-time registration fee of ₹365 for the three-year degree period.

7. Facilities and Campus Life

The library has around 33,000 volumes, 24x7 online catalogue search, IEEE and ASME e-journals, the Knimbus e-book library, Turnitin anti-plagiarism software and a Book Bank for all students. The campus has multimedia-enabled classrooms and laboratories; the Computer Engineering department has eight labs plus machine learning and cloud servers, and the Mechanical department has labs for machining, CAD/CAM, CNC, HVAC and more. Sports include football, basketball and shooting. Student bodies include IEEE, SAE, ASME, ACM, IIIE, the E-Cell, NSS, Rotaract, TEDxCRCE, GDSC and the Project Cell. Notable events: the Crescendo 2K25 technical festival (9–12 October 2025, 16 events, over 3,000 attendees), the Euphoria 2026 cultural festival (19–23 January 2026, 18 competitions), the TEDxCRCE conference (27 February 2026) and the 2026 convocation (7 March 2026).

8. Placements

The Training & Placement Office arranges internships and on-campus, off-campus and pooled campus hiring; almost all eligible students are placed each year. The Computer Engineering department reports over 99% results and over 85% on-campus placement in the last five years. A placement highlight cites a highest package of ₹22 LPA and an average package of ₹6.83 LPA. Recruiters include TCS, HSBC, Barclays, UBS, Capgemini and BrowserStack.
